

PULV EPDM

AGRICULTURE & FORESTRY

Farm/Spraying

Applications

High pressure agricultural spraying (fungicide, weed killers, insecticides, etc.).

Advantages

- A high performance hose for extra heavy duty service.
- Excellent coupling retention.
- Excellent mechanical properties.
- Excellent resistance to high ambient temperatures.
- Extremely resistant to ageing and atmospheric conditions.

Technical description

Inner tube: EPDM, black, smooth.

Reinforcement: synthetic textile.

Cover: EPDM, black, smooth.

Temperature range: -30°C to +100°C.

ID mm		OD mm		Working pressure bar	Bursting pressure bar	Bending radius mm	Weight kg/m	Length m	Article number	Stock (*) or min. order m
